Location **Kentucky**

https://www.genclassifieds.com/x-694871-z

Looking for experience in All Around landscaping work. Such as mulching and building new mulch beds, edging around mulch beds, trimming bushes, trimming small trees, planting flowers, planting plants, trees, bushes and removing old plants, trees and bushes. Installing drainage piping and experience in cutting down trees and cutting up the trees and know your way around a chain saw is helpful. Having a GREAT attitude to make the job sites look the best possible is what is required.

Having your own transportation is a plus but not necessarily a no hire. Depending where you live we may be able to provide transportation.

Send resume or if no resume a detailed email of your experience AND PHONE NUMBER (S) of how we can reach you. Include area of city of where you live.
