

Do you use a SLEEP MASK (New Orleans)

Location **Louisiana**

I'm trying to create the world's best sleep mask. I know what I like and dislike about the sleep masks I've used, but to take this idea to the next level I need to know what you think! (Note: Questions are geared to people who use sleep masks currently or have in the past.)

Here's a link to my short, unscientific, 10-question survey:

FREE MASK: If you'd like to know if/when my mask gets produced, leave your email address in the last question regarding "other thoughts" (totally optional). I'll send you a free mask if they become a real thing. Thanks in!
