### Foster/Adopter Alert:

Lucy's previous owner received her as a gift when she was about 6 days old she was taken to NY/ACC as owner surrender after being a family pet for 3 yrs. Lucy was adored by many of volunteers that met her at the shelter. Lucy was pulled by Second chance rescue and is in need of a home to call her own. Lucy is a total sweetheart ! She has won many hearts including the hearts of her prior foster family! She has the deepest, sweetest eyes that will make you melt. She just wants to belong to a family. Lucy is very affectionate and loves to be with you no matter what your doing. She is happy to snuggle on the couch with you making a great tv partner! She is playful , goofy & energetic enjoying every bit that life is offering her. She LOVES to play ball and listens when you command her to drop it. She is truly a smart cookie! She is presently finishing up her basic obedience training that she is currently enrolled in. No doubt this pretty brindle angel will make a family proud showing off what she has learned with the completion of her 3 week program. Lucy walks great on a leash and has been trained to walk at a heel. She is house trained and crate trained. It is recommended she goes to a home with kids at least 10 years old and up.

Lucy is good with some dogs but she can be a bit pushy. A meet and greet is recommended to see if she can get along with your dog. Lucy is in the North using a growling induction therapy some of time. She shared a trip to date with her shots. Every time that meets the lady girl say "I love LUCY". The lady girl is a part of your family.
