Hi,

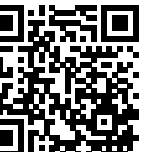

My music partner and I are both professional musicians and available for proposals, weddings, birthdays, and special events in the area. We do travel as well, so ask about our special rates! We are both classically trained and love to perform violin and flute music for special occasions. Our instruments blend for a very delicate sound. We have also performed for art gallery openings, bank functions, churches, etc. Please email for our resumes. Also feel free to browse the website listed below.

Other instruments available upon request: Cello, Viola, Piano, etc.
