Hey ladies, my name is Nita. Me and a couple of my partners are currently starting our third housing escort service here in the Fort Lauderdale area. Our other two housing units are in Vegas and upstate New York, Both are very lucrative businesses. Also both houses are managed and are operating with the leadership of a few girl's who work at those locations, I am looking for 2 to 3 girl's to work and assist me with management at the newer Fort Lauderdale location. I'm in this business to help independent ladies get on their feet. I am not in this business to make money off of you, im in this business to make money WITH you. All i ask for is a small housing fee every day you work. The Housing location is nicely furnished. It also has a nice pool, kitchen, and living area that you have FULL access to. Trust me ladies, you wont be disappointed. Please send pictures and contact information in your first email. For more info, please reply to THIS AD, which I will then send you a picture of me. Thank you and looking forward to hearing from.
