I have a beautiful female pit bull that is red/white. She's a little over 2 years old. Very energetic and loves to play. She grew up along with my 10 month old daughter so she is very loving. I have to find a new place to stay and my only options will not allow a dog. I really do not want to get rid of her. I've given everything I've got to keep her and as of right now nothing is working. I really don't even want a rehoming fee I just want someone who will honestly take her or even take her temporary so that she doesn't have to go to a cruel animal shelter. Someone that will make sure to treat her right and won't put her or use her in a bad situation. Please email me at

and then I can send a number through email to speak.
