DC Grace is a new worship band in the Washington, DC, metropolitan area.

We write some fun, cool songs that reflect Father's unconditional love for all people, who we are in Christ through His redemptive work, as well as the quality of life that the Godhead (Father, Son, and Spirit) share in and of which we can be co-sharers of now, equally with them through belief in Christ.

We've received a fresh revelation of the grace of God and our identity in Christ. We've been playing together for two years at churches, DC Grace Conferences declaring the Finished Work of Jesus featuring domestic and international speakers, grace conferences in other parts of the USA, fundraisers, and other events.

We'd love to come to your church or event to play our songs, even put on a concert. Please contact us.
