Are you looking for a reliable person and place for your child? But are you looking for reasonable price too? Don't think about your kid's home work, I will take care about it.

If you have special education Aid, Autism and ADHD child, I have experience to work with them. Currently I am a FCPS's Substitute Teacher, but after school and weekend. I am very responsible person to take care your child at my home. I have been work at FCPS since 6 years and 20 years experienced work with kids as a teaching/tutoring and babysitting jobs.

I love kids, art, painting, gardening, writing and any creative and fun jobs. I am also non smoker and non alcoholic. I have a lot's of great references.

Pet free, neat&clean, security alarm system very comfortable place and reasonable price for big kids. Reliable and best offer for after school. I can help also your kid's art, painting dance activities. I want to share my personal and professional experience with your child/children.

Trust me, you and your kids will be love me and my wonderful own three children. My lovely three children go to the Lake Braddock Secondary School. So they can help your kid's home work too ..
