

Crested Gecko (20 USD)

I am rehoming our adult crested gecko, Raphael. He is gut-loaded cricket fed and very neat to watch. Tank not included, just rehoming Mr. Gecko.
 If you have any questions please just ask. I am asking for a small, \$20 rehoming fee.
 He is tail-less. Geckos have a defense mechanism that allows them to release their tails, unfortunately they do not grow back. He was purchased without a tail, and will forever have a cute butt because of it.
