

EA Sports NHL 16 (deluxe edition) XBOX ONE (45 USD)

Location **Florida**

It is brand new still in the wrapper.
 I won this as a first prize gift from a street fighter 4 tournament. I don't own a XBOX ONE so I have no use for this. The adhesive stain on the back is where the "winner" sticker from the tournament was removed. The game is still factory sealed. Serious inquires only please
