I have an almost brand new set of brake rotors and pads for a BMW 1 series or a 1M (these came from a 1M)

- 125, 114, 128, and 135 (also the 1M)

I pulled these for another set just after purchase since the car was going to be setup to race.

I am asking 50 dollars. These are easily 600 dollars worth of OEM parts.
Just want to get them out of the house :-)

You are buying 4 rotors and 8 pads.
Hope to hear from you soon
