I am a 31yr old mom (prior military) and currently married to an active duty member. We are located near the movie theater. If you are looking for a babysitter ... I am available every weekend. I have one 6yr old daughter and we are willing to keep your kids company while you enjoy a good movie/date night. I prefer to babysit in my own home, so I can do arts and crafts, watch movies, let's kids play in back yard, and cook dinner. We have a fenced yard and have two pets (kitty and puppy). We live in a nice neighborhood, so no violence or crime to worry about. My husband and I are both CPR certified. I do not have references as I only do this for families needing a night off and not as a typical job. I was in the military for 12 years and I'm currently attending school for a medical assistant. I'm kind, honest, friendly, reliable, and love.
