

# Spray king spray rig (900 USD)

Location **Idaho**  
<https://www.genclassifieds.com/x-695096-z>

Spray king Spray rig  
 20-25 cfm quincy compressor works awesome  
 23hp Briggs and Stratton vanguard (only 40 hours ran on it) that itself is worth more than what I'm asking  
 It could be used for multiple jobs than just drywall  
 Has 100ft of hose and there is another attachment for the compressor on the otherside of the hopper  
 Only asking!!!
