Location **Montana** https://www.genclassifieds.com/x-695143-z

These are made from old tractor discs. I have treated the them so you can place food on them. I use them for fruit platters, meat platters or chips and salsa...use you imagination. They are heavy and look great sitting as a center piece. I charge \$50 for singles and \$80 for double deckers. Please give me a call if you are interested. Hit reply for my phone number and ask for.
