1st Annual Charlotte Neighbor Fest.... Seeking Bands, Musicians, and business vendors....

We are starting to work on organizing our first annual Neighbor Fest... This music festival will be held at a Charlotte, NC outside location, most likely a park situation.

I wanted to begin reaching out to bands, musicians, speakers, and business owners who would like to become involved in this first annual event. Even Church organizations, who would like to help spread the word.

I will open up for band submissions, we will look at seeking up to 10-15 bands. We will open up submissions to ALL genres of music, even Christian bands. If you are a vendor who would be interested in sharing your services or products, please email me.

We will actively be seeking festival sponsors, through vendor opportunities. We also are looking for event volunteers to help.

Proceeds created in our efforts, will be given to a local charity which works with the poor and homeless of Charlotte. We often see someone without a home being, "Homeless." We like to think of these individuals our "Neighbors."
