 - Year-round preschool that includes summer months
 - Loads of fun outdoor activities, weather permitting
 - NO registration fee or supply fee
 - This is a preschool only - not a daycare

****A SAMPLING of PARENT TESTIMONIALS****

"I love hearing about the fun and exciting activities my daughter has been up to each day through Lisa's daily emails and photos. I am constantly amazed at Lisa's ability to integrate academics, creativity and fun into her curriculum! Our daughter gets so excited for preschool and has learned so much."

~ Megan

"My son's current teachers told me that he is way ahead of the other students. I have Lisa to thank for that!!!!"

~ Kathy

"Lisa's lessons are very thoughtfully prepared so that every aspect correlates to the theme of the lesson. Not only do the students work on language, reading and writing skills but they also work on physical fitness and coordination. My daughter very much enjoyed school with Lisa and was so proud of all that she was learning. As a teacher, I can really appreciate and understand how much time she spends making sure everything correlates."

~ Tara

****THE CURRICULUM****

My curriculum is structured with playful educational activities, projects and games focused on the day's theme. The children are engaged in hands-on, active learning that nurtures creativity and develops independent thinking and problem-solving skills. Our daily activities connect various concepts such as literacy, math, science, social studies, and creative arts. My goal is to provide a positive, exciting learning environment which will instill in each child a lifelong love of learning and enhance later success in school.

****ABOUT ME****

I have over 10 years of experience working with children in various settings including daycares, summer camps, schools, churches and homes. I also develop and teach preschool programs, including sports classes, designed specifically for childcare providers who lack a preschool program in-house. I am certified in CPR and first aid.
