Hi

Do you need a last minute sitter/Emergency

If anyone needs a sitter just for the day because your sitter is sick or for what ever reason and can't come in please let me know if I can help out for the day. I am looking to watch kids on my days off. I am CPR & First Aid Certified I do have a Medical Assistant Certificate and I am a proud mother of a 23 year old daughter who has left the nest :(

I usually take care of children in my spare time. I also sit on weekends when I have time off.

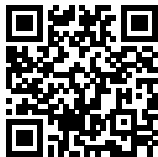

Thanks,  
Ms J
