

MMA gear (south county)

Location **Missouri**
<https://www.genclassifieds.com/x-695279-z>

Found: Bag full of gear and title belt under 55 and Reavis in St. Louis Missouri.

My cousin and I were driving home from a debate tournament and saw the bag and title belt fall from a vehicle. We immediately pulled over and grabbed it. We tried following the vehicle but had no luck!

Hopefully someone on here can make the connection and we can return the items.

Please contact me if you believe this bag is yours!

Thanks!
