

looking for something in the calvander area (chapel hillcarrboro)

Location

North Carolina

<https://www.genclassifieds.com/x-695340-z>

I am looking for something in the area specified above more towards the country side. I am a handyman can fix pretty much anything. I am willing to trade work and some cash. Or I can pay 500 amonth. It will be just me no baggage no room mates. Let me know what you have available. Thanks and look forward to hearing from you
