

# Brazilian Cherry Hardwood Flooring (Twin Cities)

Brazilian Cherry

Location **North Dakota**  
<https://www.genclassifieds.com/x-695352-z>

Unfinished Brazilian Cherry - (Jatoba) -- 2800sf available

Size: 5" Wide Planks -- 3/4" Thickness -- 1-7' lengths w/ 3' average board length

Grade: Clear Grade (best grade available - free of defects, knots etc)

We accidentally ordered the wrong flooring for an upcoming job. So looking to sell this at a discounted price to avoid the high cost of freight to send it back. Asking \$5.49/sf, will divide into any quantity you need. Samples available. We also have 20 vents & square edge stair nosing for those that might need it.

Please email if interested.!!
