I impulsively bought this at a festival about two years ago and have never worn it because I have lost some weight. I am a medium and would say this dress is a large, but a flattering fit. It is a beautiful dress and I am sad that it didn't work out. As you can see, I bought it for \$40. It is made out of wonderful material and I have not seen anything like it anywhere else ever. I am an awful photographer and would be willing to take better photos or whatever for a serious inquiry, smoke free.
