I have 4 finches (1 male zebra finch, 1 brown/white male society finch, 2 female society finches [one white, one tan and white]) - Cage/food/dishes/nests/perches/etc included (what you see is what you get) - \$150 rehoming fee [will not separate these, nor will I sell the cage separately].

4 ringneck doves. Various colors [3 varying types of pied, one tangerine], they're mostly tame, just need someone to bond to. \$20 rehoming fee each. They come with nothing.

Rehoming fees are negotiable to the right person! Feel free to text me, i will respond faster that way and can provide more pictures (PLEASE do not just say "more pictures please" i need to know what you want more pictures of, and what angles.)
