Join musicians who are changing the lives of thousands of sick and lonely people in NURSING HOMES. These desperately sad people NEED us.... they need the music that brings them joy and connects them with their past. This music is GREAT therapy for people with dementia and Alzheimers.

Our musician AND non-musician volunteers in 11 cities in the USA say that our one hour shows for the sick and lonely people in nursing homes are some of the best moments of their lives !! This is typical of what we do from January to November: <http://www.youtube.com/watch?v=FkmLpMdgakU>

Sometimes it looks like this: [https://www.youtube.com/watch?v=rnf1z\\_3W0zM](https://www.youtube.com/watch?v=rnf1z_3W0zM)

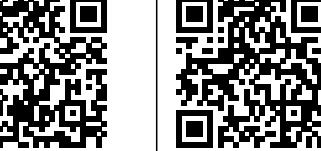

Sometimes it looks like this (Nashville): <https://www.youtube.com/watch?v=tqVMjEKs1xM>

The ensembles that we put together will largely be based on what kinds of musicians answer the call. Remember... they had ALL kinds of heroes at the Alamo !

Check out these BEFORE and AFTER pictures and SEE what a tremendous effect the right music can have on these desperately lonely people.....

This is a strictly VOLUNTEER effort. Email or phone only. If this opportunity touches your heart please call ( 2 1 3 ) 3 8 8 - 8 5 0 0 or toll free at ( 8 8 8 ) 7 7 7 - 0 7 6 4 . Call NOW because so many

of the people we want to bring this gift to are not going to be around much.
