I have a couple of large crates that I am not using. 36L x 22W x 25H. In new condition! Has just been sitting in storage. Folds up easily for storage or travel and has a handle to carry it like a suit case! Has a door on the front and another one on the side. Also has a pull out tray for easy cleaning. Nice crate! The two door crate this size at Petsmart is \$122.99.
