Hello Riders! Tired of high prices for a ride, ESPECIALLY A LONG RIDE OR DAILY RECURRING RIDE?? Well, here's a unique solution: Ride on a motorcycle. That's right, ride on THE BACK OF MY MOTORCYCLE.

I am a tenured rideshare driver (Since 2013) (and also an experienced & licensed motorcycle rider.) I recently received a call from someone needing a great price for a ride. I humorously told the person that I could take them on my motorcycle. I was surprised when the person accepted. It worked out well for everyone.

Since then, I have given rides on the above motorcycle to many other people and each went very well. Each was very comfortable on the bike, each felt very safe, each had a REALLY GREAT TIME, each appreciated the price break, and each would absolutely Do It Again, without hesitation.

For these reasons, I offer a ride on the bike to those individuals looking to save money and have a little adventure. This ride service is PRIMARILY FOR SOMEONE LOOKING TO GO A SIGNIFICANT DISTANCE OR OUT OF TOWN-40 MILES AND MORE.

I will provide a helmet and glasses and make sure you know how to be a good passenger. I can carry a small amount of cargo in the saddle bags. (See Pics.)
