I willing to tow up to 1000 Lb. but ,with the right pay I could tow more , also with the right trailer. (5000 Lb.) I have an trailer that needs this years inspection. There's a roof rack for your stuff also.

The trip leaves around Oct 12 and will take 4-5 days there is a cost because I have little money. I would like to meet for coffee to discuss details and feel good about the trip.

Thanks, Travis
