

Missing Cat (092415 USD)

Location **Vermont**
<https://www.genclassifieds.com/x-695464-z>

We are missing our family cat. Midnight is a one-year old, male, neutered cat. He is slender and is not wearing a collar. He was last seen on East Road near the intersection of Hardscrabble Road in Milton. He may have made his way over to Railroad Street. Midnight is a very important part of our family and we are hoping he come home soon.

Please email if you have seen our little guy. Thank!
