

heating ventilation air conditioning refrigeration service technician (Cheyenne)

Location

Wyoming

<https://www.genclassifieds.com/x-695482-z>

I'm just looking for some side work on my spare time. I am a 5 year apprentice on the job training and also have 2 years of college in HVAC/R / Associates in Applied science. . I am EPA certified for my universal refrigerant license , BPI certified in Building performance for residential homes. I can do as following furnace repairs,ac repair, possibly install s on either or. 30 a hr and you pay for.
