I am renting the Master Bedroom with private Master Bath and walk in Closet - for \$450 per month plus utilities. The private Master Bath has a Large Tub, Separate Shower and 2 Vanities. The room also has a Large Walk in Closet with plenty of room. If you need the room to be fully furnished then I can provide the following items (at No extra cost): Queen size Bed, Nightstand, TV and DVD Player. There is Wireless Internet access throughout the house and you will have full use of the house.

The House is a Traditional Home in a Quiet "cul-de-sac" location and is a 4 Bedroom, 2 Full Bathroom House. It has a 2 Car Garage, Hardwood floors in living room, Tile in Kitchen, Fireplace, completely furnished kitchen, deck on back of house, Washer and Dryer, central Air condition and Heating, Ceiling Fans in many rooms, and Fenced in back yard. The neighbors are very quiet as well.
