Hi I have a 3 month old lab pit bull . Im looking to re-home her because I have a daughter and me being a single parent. I just don't have time for her and give her the love that she needs . Me working and talk care of my daughter. She would come with a kennel, half bag of food ,leash and bowls . I really hate to see her go, but need someone that has time for her . Looking for home for her
