Location

Looking for some holiday spending money? Need something easy to do? I am looking for sales people to promote my bath and body line to stores during the month of October. Call upon boutiques, visit stores, and more. I am just looking for them to call, fax, or even email in an order.

Interested parties can submit their resume for my review. Will pay on a 1099 contractor basis so everything is up and up.

Compensation: Willing to pay \$15 per order placed. Bonus potential for those who bring in a good sales volume.

For more information or to apply for this short gig, drop us a message with your resume and explain why you will be the best candidate for our gig.

Thanks from Sierra
