Beautiful property located in Albany County . Just 40 miles from Laramie and 72 miles from Cheyenne. In the small town of Rock River. Tracts 70 and 76 which is

water front and borders State land. You have the right to hunt the State land.

There is electricity across this property. Since we purchased this property 8 years ago there have been homes built on near by tracts. We caught antelope

going for a drink the morning we looked at the property. You can build or put a doublewide on the property.
