

14yo Sweet Cute Male Cat. Looking for Good Home (Fayetteville)

I have a very sweet and lovable cat who needs a new home. He is fixed and unfortunately he is declawed (wasn't my decision). He has some severe behavioral issues in the form of excessive marking. But he is otherwise very friendly and very vocal. Ideally I would like to give him to a home where he can stay safely outdoors, hopefully with other animals to keep him company. I live in an apartment and the marking is becoming a problem for me. I have had this cat since I was a kid and he has always been a good companion. Everyone who meets him loves him. If you know of a place I can bring him, please tell me about it. I would like to know the person who takes him and a little bit of background on where he is going. Thank!
