## rehoming chihuahua mix (Fayetteville)

Location **Arkansas** https://www.genclassifieds.com/x-695815-z

I'm rehoming my mom's chihuahua mix. She's unable to care for it any longer and I can't keep her because I already have two dogs. Little Cocoa is super super sweet and great with kids (She's been raised around my autistic little brother). She's about 3 or 4 months old and almost house trained (she is puppy pad trained). She is free to a good home. Please call or text me at
