

# Anchorage to Valdez

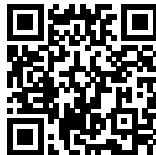

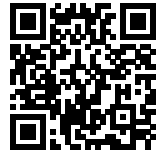

Location **Alaska**

I'm driving from Anchorage to Valdez tomorrow and leaving about 2:00 pm from the VA off of Muldoon. I have room for one rider and a small amount of gear as long as you can place it in the back of the pick up.

I'm not looking for cash, just a normal person to talk with along the way. No smoking in the truck and I'm going straight through.

Email me back through.
