Hello! My name is Marissa and I'm a 26 year old, soon to be, stay at home mommy. I have two boys ages 5 and 7. I'm looking to start a small in home daycare. I love kids and I am taking a huge leap of faith in quitting my full time job to be able to dedicate my time to being at home to help people that are in a tight spot and need someone reliable, affordable, and trustworthy to care for their children. This will also allow me to have more time with my kids as I have missed out on so much being a full time working mommy for so long. If you or anyone you know may be in need of affordable childcare then please refer them to me. My hours would be Monday-Friday 6am-6pm. No weekends. I will be accepting children of all ages. I have 4 full time openings available and will also work with anyone in need of part time care. Full time price is \$100 per week. Part time care would be \$20 per day. I will provide breakfast, lunch, and 2 snacks per day. We will be playing, learning, and crafting away. I have a large playroom filled with toys, books, games etc. For all age groups. I also have a large fenced in backyard that we will utilize for safe play (weather permitting, of course). I live in the Independence area off of Noland and 40 hwy. If you have any questions or would like to set up an interview with me please contact me via email at [mgarnersmile@gmail.com](mailto:mgarnersmile@gmail.com) and or call or text me at

Hope to hear from you all! :)
