

30 ft Spruce needs Christmas lights (Mariemont)

Location **Kentucky**
<https://www.genclassifieds.com/x-695911-z>

I have a 30 foot and 20 foot Blue Spruce that need the Christmas lights taken off and re-positioned .
Can not climb the tree- too tall. Prefer someone who is in the tree business.
Planning for mid-November, not in Sept or Oct.
Open to suggestions.
