Hello & Aloha!

Thank you for taking the time to view my listing! There are a number of excellent photographers here in the Islands, all with a variety of shooting styles. The photographic experience should be fun, both for the client and the photographer and having a relaxed atmosphere makes for great images! Personally, I've been in the industry for a number of years now (over 20), started with traditional film/print and moved on to the digital format. It's an ongoing and changing medium that allows me to learn & evolve each day that I pick up my camera to capture an image.

If you are looking & shopping for a Photographer, I can provide services to work around your needs and budget, specializing in Weddings and Engagements, both local and destination!

All of my Basic Photography services include a fully edited High Resolution Photo DVD with full reprint rights and my Basic Wedding Photography start @ only \$200 for 1 hours of coverage.

-Unlimited shooting of Details, Ceremony, Formals-Love Story, Family (time permitting)

-Approximately 125-150 Fully Edited Images, both Color and B&W
