Do you miss being up all night in the middle of a blizzard while most people are sound asleep in the warmth of their homes? Do you constantly check the weather reports in hope that the rain storm will change to a blizzard?

Yes!!?? We do and if this sounds like you we want to you to join our snow family this winter season!

We are looking to hire qualified plow/salt truck operators, equipment operators, shovelers, and dispatcher for this winter season along with subs who have their own equipment that want to put them to use.

Great Pay, Local Work & Plenty of Hours!

Please reply with name, contact info, experience, and equipment (if applicable) an someone will respond shortly.

We look forward to hearing from you and remember the snow will be here before you know it!

Thank You,

G. McNeill & Son Contracting Group, Inc. Snow Management Division 910 Washington St. Stoughton MA, 02072
