Queen City Deck Renovations has been serving Cincinnati's needs since 1982. Our teams put your needs first and foremost.

We specialize in but are not limited to, deck wash and seal, all types of deck repairs, wood replacement, and storm damage.

Now is also a good time to have your deck repairs done before your summer parties.

Summer is here, so now is a good time to think about getting your deck washed and sealed to protect it from the weather elements.

Lack of sealer will allow the wood to soak up water like a sponge. This will then cause the wood to rot prematurely. We have over 80 colors to choose from.

We accept all competitors coupons.
