It will not be hard to make yourself at home in a One-Bedroom suite. Featuring approximately 483 to 880 square feet of space, these well-appointed accommodations offer a master bedroom with one king bed. Spread out in style in the separate living room that comes complete with a queen sleeper sofa, cable television, and DVD player. Delight in a lanai or balcony, which provide exceptional ocean and city views. Full kitchens that make it easy to prepare quick meals or late-night snacks. One-Bedroom suites can sleep up to four guests.
