Adorable mixed breed needs new home! Owner can no longer take care of her and she needs a new family ASAP! She was picked up from the Humane Society and prior to her being there her former owners were not so kind to her. Skittish around people, but very submissive and friendly. Took her to the dog park in Biloxi to see how she does with other animals and she does very well. She just needs someone to help her out of her bubble. As far as cats, I don't know. She is neutered, vaccinations we are unaware but should be up to date. Re-homing fee of \$30 however, owner has stated that she comes with a kennel, bowls, leash, etc. Owner is also willing to bring Bonnie, the dog, to you! Please text for pics or more.
