Hi Craigslisters - professional musician / composer / producer here who can fulfill all your needs for STRINGS for your next project:

- * Rich-sounding full string arrangements, virtuosic solo tracks and fills, or atmospheric pads and layers I can create the whole range of authentic string sounds in my studio with REAL INSTRUMENTS
- * All styles (classical, rock, pop, Americana / bluegrass / country-western fiddle, jazz, improv, avantgarde, ambient, R&B, dance, you name it...)
- * Will play your parts if provided, or compose original parts as your project requires
- * World class quality and musicianship

You simply send me your reference track and I will record the parts in my professional studio and send them to you (via DropBox or similar).

Rates negotiable depending on size of project. Happy to respond to any questions you might.
