Are you vacationing here on the MS Gulf Coast? Would you love some time to get out and enjoy the casinos or maybe a dinner out, knowing the kids are being cared for by experienced, pre-screened nannies? Let our agency help you! Sitter Solutions has been serving families here on the coast since 2008.

Bookings are made on a first come- first serve basis so we recommend a few days notice if possible, but will try to accommodate all requests. 24 hour prior notice is REQUIRED to allow sufficient time to process paperwork and assign a sitter.

To request childcare, please complete the online hotel registration at our website.

If calling, please leave a detailed message including dates and times care is needed, ages of children and a good contact number. We look forward to working with your!
