2001 f-150 ext. cab 4dr. 255,000 miles. Has rebuilt 4R70W auto tranny, engine pistons need replaced, does not start or run. Has new Yokohoma geolander A/T/S 265/70 R17 tires less than 100 miles on them. Both front wheels new stock. Only rust is box corners, no rust on cab or front fenders. Many new parts. I have too many projects and am willing to let this one go. \$1000 firm. \$800 in New tires alone plus tranny recently rebuilt. Will make good running truck with a different 4.6 or 5.4 L motor. Text works best, thank
