will have a litter of silvermanes due in a week.

I also have 3 females and 1 male available for adoption currently.

females: 5\$ ea if u get a pair or the trio
 Black rex veri mask
 black headspot capped
 agouti veri bareback

male:
 black berkshire
 the male is wonderful with people and would do well as an only rat due to his agression to males. would do okay to a first time rat owner, very cuddly and sweet. my daughter plays with him.

I have some wonderful new varieties that will produce litters next year. I will take pre reserves for anyone looking for spacific rats!
 these will include: Harley, Dwarf, Martens, Siamese, Golden.
