

New Stihl Wheel (7 USD)

Location **Oregon**
<https://www.genclassifieds.com/x-696375-z>

Still in package. Stihl wheel kit has a 5" wheel. I know it fits a Stihl rototiller.
Maybe a standard size wheel for Stihl. It went to my Yard boss mm55. I believe this wheel, item number FCmm came with 1 oem wheel and 1 oem blade. This is the wheel in that oem attachment kit.
If its posted its available-Please leave local phone number in response. Thank
