

ARTIFICE iso Bass Player

Location **North Dakota**
<https://www.genclassifieds.com/x-696381-z>

ARTIFICE is looking for a new bass player preferably younger than 25. We are an established metalcore/metal band regularly gigging around the FM area with many hopes of making it into a career. We are completely original but are open to covers from time to time. We have an awesome practice space and are geared.

Here is a link to our band camp page to check out what we sound like.
