

kitten available to a good home (Valley City)

Location **North Dakota** https://www.genclassifieds.com/x-696384-z

I have a solid grey, male kitten for rehoming. he was born July 23rd this summer. He is a Siamese, Ragdoll, shorthair mix. he has not had his shots but was recently dewormed with Panacur from the vet a couple weeks ago. He is tame and playful. he is starting to use the litterbox. I would like him to go to an indoor home. asking a \$20 rehoming.
