North Dakota Location https://www.genclassifieds.com/x-696385-z

My small home daycare has 1 full time toddler/preschool opening!

I like to keep my daycare as close to a home environment as possible so the children feel comfortable & receive plenty of one on one attention.

We have a large backyard with plenty of room to play & explore as well as many fun/educational indoor activities. I've recently started a preschool program that focuses on both academic & play-based learning. We'll also be taking some really fun field trips!

I am CPR & first aid certified with a background in early childhood education.

My hours are 7:00-5:00 but I am willing to be flexible with your schedule.

Please feel free to contact me with any!
